Hatfield 5 Run Course

The course is one lap of 5 miles. The route's popularity is down to its reputation for fast times. It is incredibly flat and primarily free of pedestrians and traffic. The course is accurately measured by the Association of UK Course Measurers. If your GPS watch doesn't read exactly 5 miles, you might be interested in reading this article from their [website](#).

Prizegiving:

There will be a prizegiving for the top 3 Male and Female finishers based on their position at the finish (not their chip time).

County Champs

The presentation for the Herts County Vets Champs will take place after the main prizegiving.
