The wearing of any headphones is NOT permitted during the race, nor at any time in the transition area.

Transition:

- To enter the transition area you must be wearing your helmet securely, be displaying your race number and the stickers in your registration pack must be on your bike and helmet.
- After the race you will need to show your race number and this will be matched to the sticker on your bike and helmet by a marshal
- Please note that only equipment required for the event is to be placed in transition, next to your bike. No boxes or large bags are allowed to be left by athletes' bikes in transition. There will be space at the edge of transition for bags/boxes to be left.
- Racking will be numbered and the bike needs to be racked by the saddle, so that the majority of the bike faces towards you (front wheel facing you with the kit by the front wheel).
- Transition will be closed 5 minutes prior to your race start. Reopening will be advised by the commentator.
- If this is your first multi-sport race, then it is good practice to familiarise yourself with the ways in and out of the transition area. There will be marshals to help if you are not familiar with setting up arrangements for your bike, helmet, shoes etc...
- Note the new 2026 rules that will apply to this race (see below)

BTF Race Rules:

- British Triathlon rules will apply and penalties will be issued for rule breakers. Please familiarise yourself with the rules on the British Triathlon website, in particular regarding equipment allowed in draft-legal races – www.britishtriathlon.org
- Correctly fitted and structurally sound helmets are mandatory on the bike and must be securely fitted BEFORE touching the bike.
- New in 2026 for draft-legal races, helmet shells and accessories must not cover, obstruct, or enclose the athlete's ears when viewed laterally. Integrated or detachable visors on helmets are prohibited.
- You must mount your bike AFTER the mount line and dismount BEFORE the dismount line.
- Headphones are strictly prohibited during all legs of the race
- Littering on the course is prohibited – please ensure that you carry all litter with you. Anyone seen littering will be penalised.
- This is an individual effort. Outside assistance is strictly prohibited
- If you DNF please head to race HQ and inform the timing team you have withdrawn.
- Be aware of rules surrounding zips on tri-suit tops in section 2.8

Site Specific Rules:

- We are very fortunate to be able to use this fantastic venue. Please abide by these rules to ensure we can continue to have access to it:
 1. Dogs are NOT allowed at Mallory Park
 2. The race track is out of bounds except to athletes and official vehicles during the race.
 3. The safety gravel traps must not be entered. They are prepared in a specific way to absorb the energy of a crashing vehicle. If they are disturbed they need to be reset at high cost.

ATW accessibility

For this event, we are pleased to offer a designated quiet area just outside the event village for any athletes who may benefit from a low-stimulus environment.

This calm space is intended for those who experience sensory overload, pre-race nerves, migraines, or anyone who simply needs a peaceful moment to regroup before or after running. Some athletes prefer a quieter area to mentally prepare, manage anxiety, or steady their breathing after finishing, and this space is designed with all of them in mind.

We ask everyone to respect the purpose of this area and only use it if you genuinely need a quieter environment, so it remains available for those who rely on it.

The quiet zone is a large black gazebo with a sign clearly indicating it is a quiet area. If you need to use this space, you will also be able to pick up your race number from there.

We ask that this space is used respectfully

Holly

We pride ourselves on being inclusive and accessible and we know this looks different for everyone!

Pre-event, if you have any questions please email access@atwevents.co.uk

On event day Holly can be found in the event village and is the friendly face aiming to make the event accessible for all; with bundles of experience, she will do everything she can to help :)
