ATW accessibility

For this event, we are pleased to offer a designated quiet area just outside the event village for any athletes who may benefit from a low-stimulus environment.

This calm space is intended for those who experience sensory overload, pre-race nerves, migraines, or anyone who simply needs a peaceful moment to regroup before or after running. Some athletes prefer a quieter area to mentally prepare, manage anxiety, or steady their breathing after finishing, and this space is designed with all of them in mind.

We ask everyone to respect the purpose of this area and only use it if you genuinely need a quieter environment, so it remains available for those who rely on it.

The quiet zone is a large black gazebo with a sign clearly indicating it is a quiet area. If you need to use this space, you will also be able to pick up your race number from there.

We ask that this space is used respectfully

Holly

We pride ourselves on being inclusive and accessible and we know this looks different for everyone!

Pre-event, if you have any questions please email access@atwevents.co.uk

On event day Holly can be found in the event village and is the friendly face aiming to make the event accessible for all; with bundles of experience, she will do everything she can to help :)
