In exchange, you will be given a race number and a timing chip with an ankle strap (This must be strapped to your LEFT ankle). A race number must be worn visible on your front for the run. This can be fixed to the front of a shirt or a single number can be worn on a number belt and rotated.

You must write your number on the back of your hand.

Safety pins will be available at registration if required. Please ensure you fill out your emergency contact details on the back of your race bib!

Baggage:

Excess baggage will be able to be placed next to the wall of the leisure centre on the inside of transition. Please keep your area next to your bike only for equipment needed for the event.

Toilets and Changing:

Toilet and Changing facilities are on site in the Leisure Centre. Portable toilets will also be available next to transition.

Free female sanitary products will be available in a labelled portable toilet.

Transition:

- To enter the transition area you must be wearing your helmet securely, be displaying your race number and the stickers in your registration pack must be on your bike and helmet.
- After the race you will need to show your race number and this will be matched to the sticker on your bike and helmet by a marshal
- Please note that only equipment required for the event is to be placed in transition, next to your bike. No boxes or large bags are allowed to be left by athletes' bikes in transition.
- Racking of the bike needs to be by the saddle, so that the majority of the bike faces towards you (front wheel facing you with the kit by the front wheel).
- Transition will be closed 5 minutes prior to the race start. Reopening will be advised by the commentator.
- If this is your first multi-sport race, then it is good practice to familiarise yourself with the ways in and out of the transition area. There will be marshals to help if you are not familiar with setting up arrangements for your bike, helmet, shoes etc...

Swim:

The swim will be a 'snake swim' in a 25m pool, with the fastest swimmers starting first, Each competitor's timing will not start until they commence their swim.

More accurate start times will be posted at registration.

You have been asked on the entry form to predict your swim time (400m or 200m depending upon the event you have entered). This is to ensure that you are seeded in the correct position in the swim. If you feel that you are not seeded in the correct position, ask the swim starter who will let you move to another position.

Youth athletes will complete the first 100m in lane 1 and 100–200m in lane 2 before continuing with the snake style format.

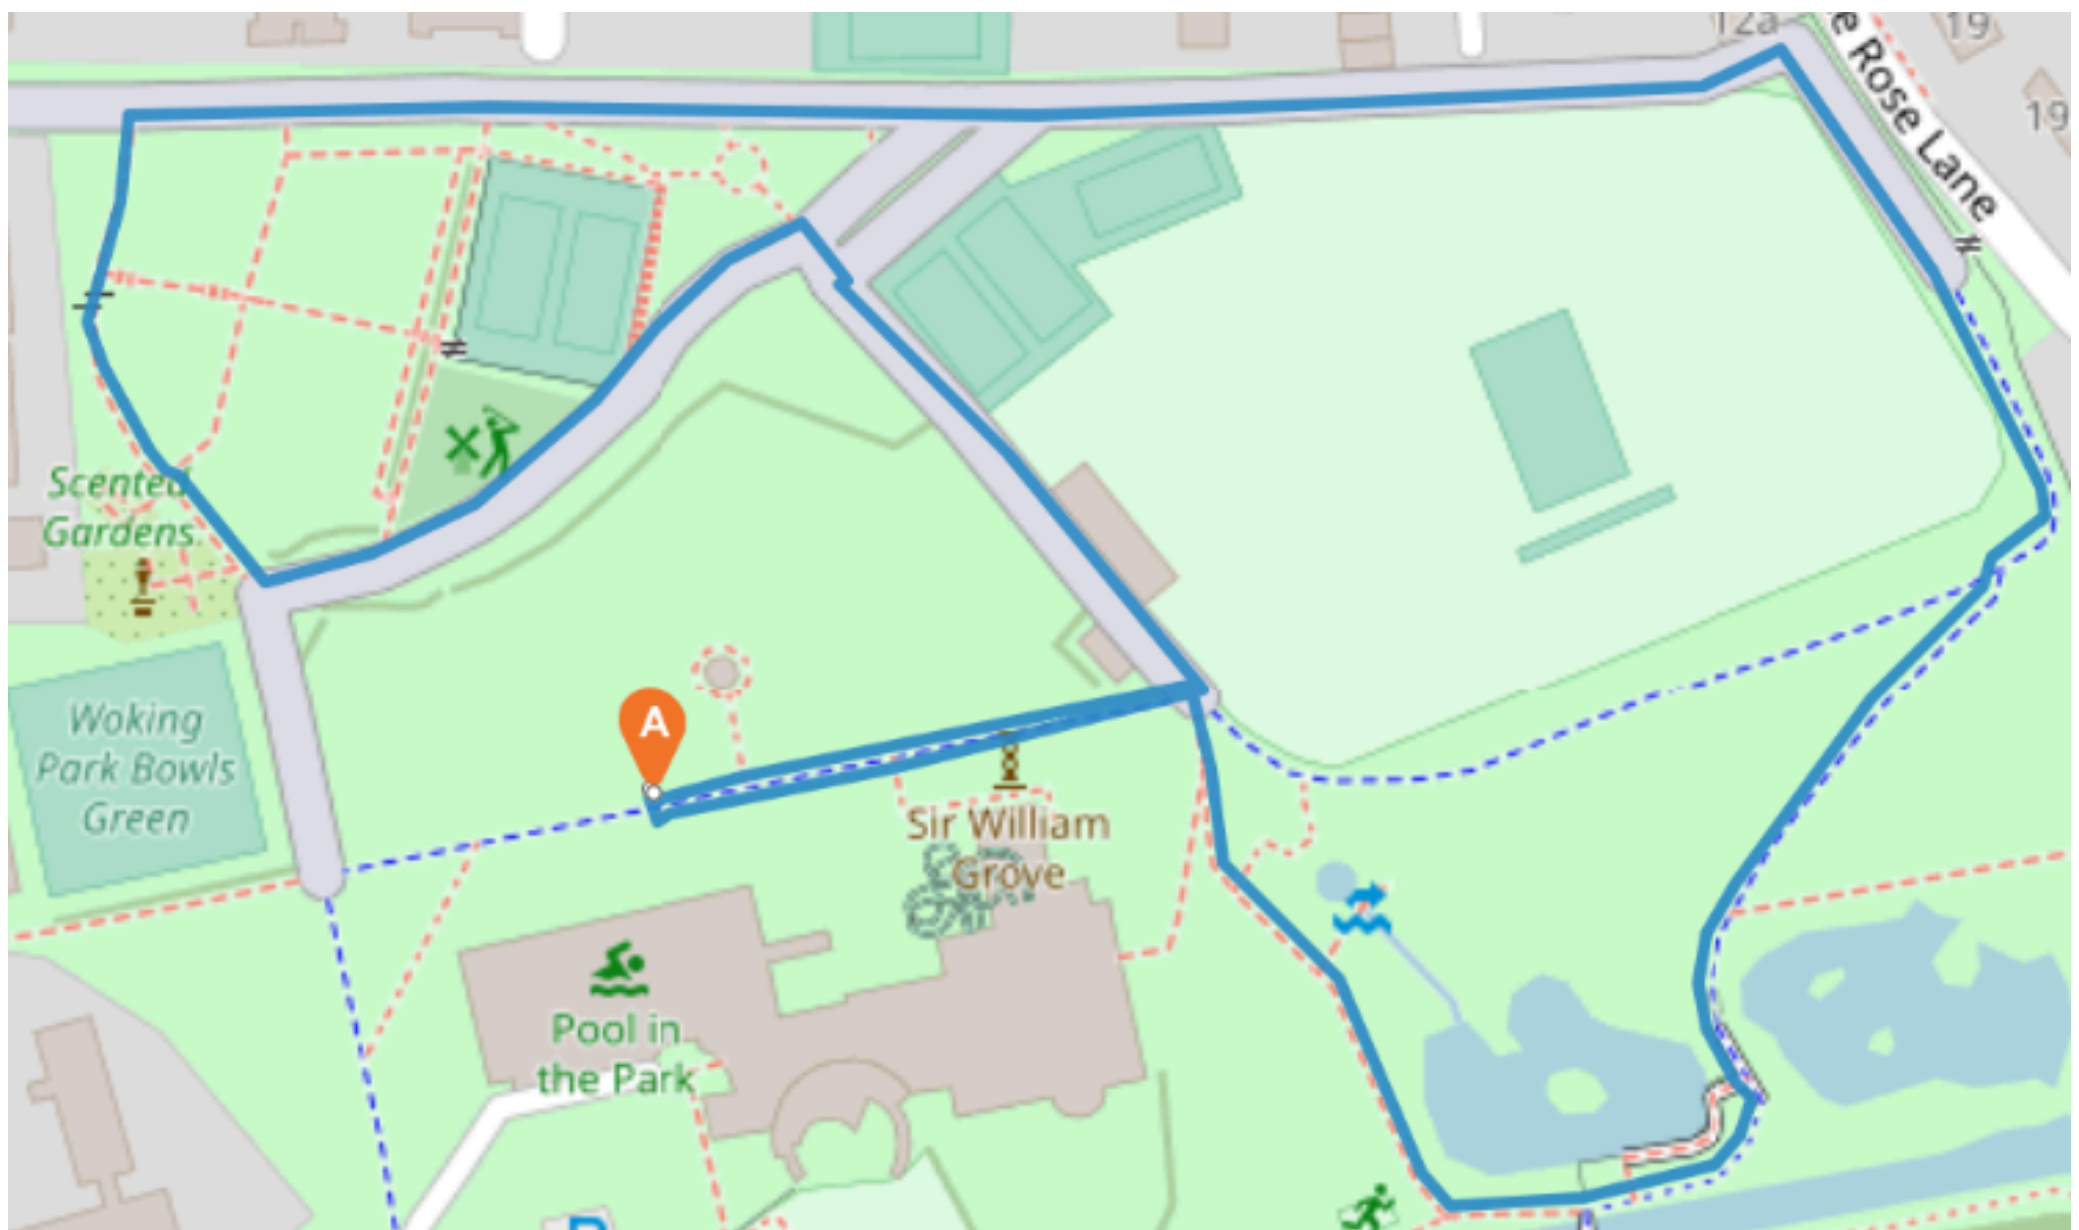

NO RUNNING on poolside! **YOU MUST** walk until you have left the building.

No photography permitted inside the Leisure Centre.

Run Course:

Please remember to turn your number on your race belt around so it is facing to the front as you exit transition for the run.
